PATENT APPLICATION
Navy Case No. 79,849

Amendments to the Drawings

The amendments to the drawings filed on March 31, 2003 have been approved by the Examiner and new substitute formal drawings are submitted attached to this paper in the Appendix.

Duplicate Information Disclosure Statement

The Examiner has noted that the references found in the specification must be included on an Information Disclosure Statement (IDS) in order to be considered by the Examiner. The applicant submitted an IDS on August 9, 2001 together with copies of the references. The record indicates that the signed copy of this IDS has not been returned. Thus this duplicate IDS is now resubmitted for consideration by the Examiner and is attached to this paper in the Appendix.
